1. How to Get your Labels Printed Professionally with Avery.com

Before you Start

1 Make sure you've downloaded your finished label designs from Canva and they're saved to your computer or device before starting the print process.

Click here to learn how to download your Canva label designs ADD LINK

Using the Avery Website

2 Head to www.avery.com. You may be re-directed to your regional version of Avery, but the steps are similar.
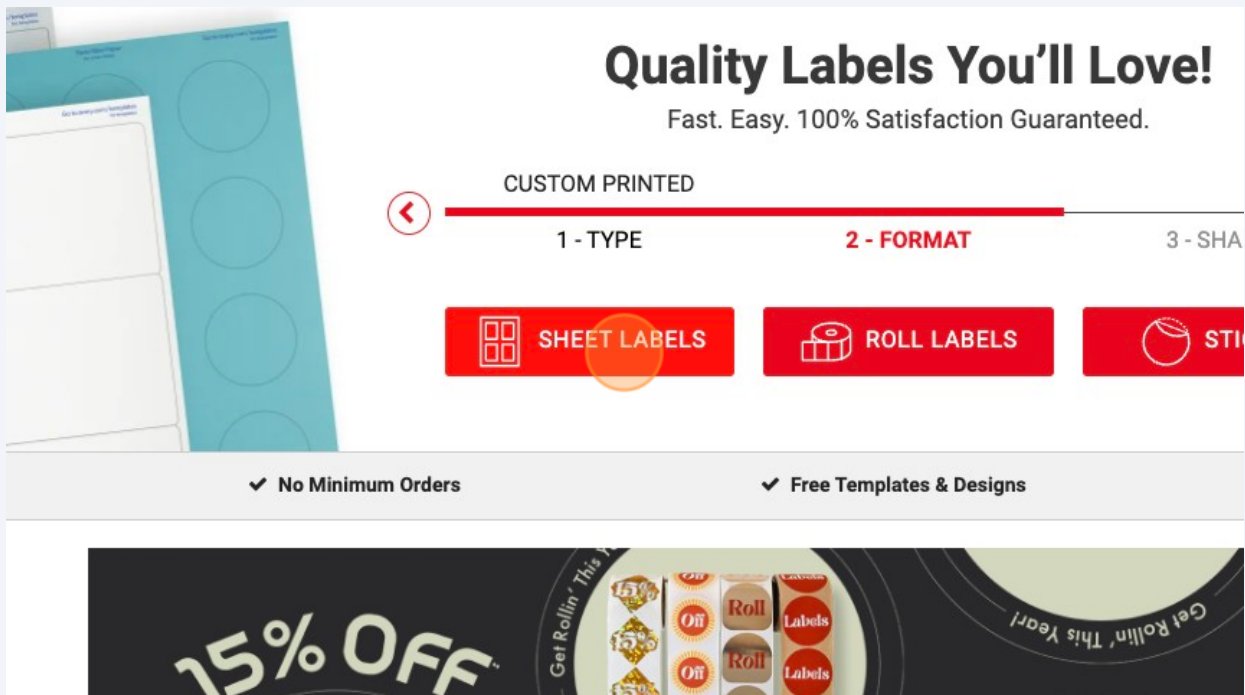

ⓘ You can checkout as a guest or create a free account on Avery. Creating an account can be helpful as it allows you to save your print project and settings for future printing if ever you need more.
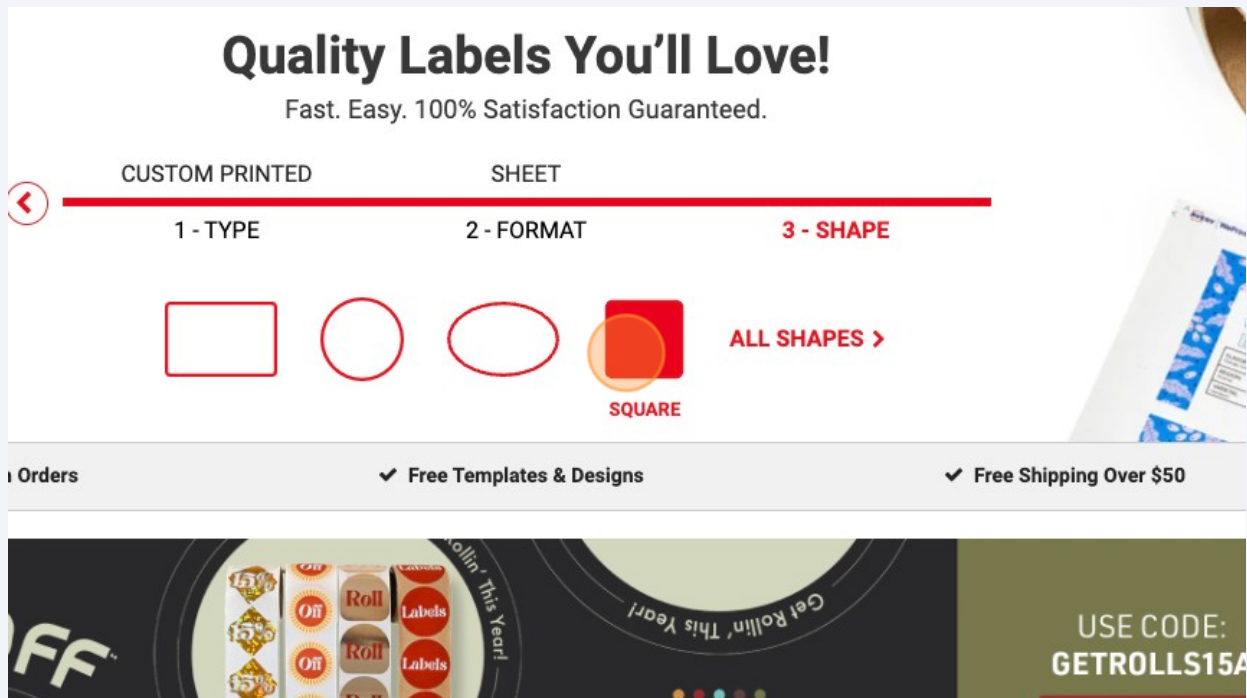

Selecting your Labels

**3** When you arrive on the Avery landing page, click "CUSTOM PRINTED LABELS".
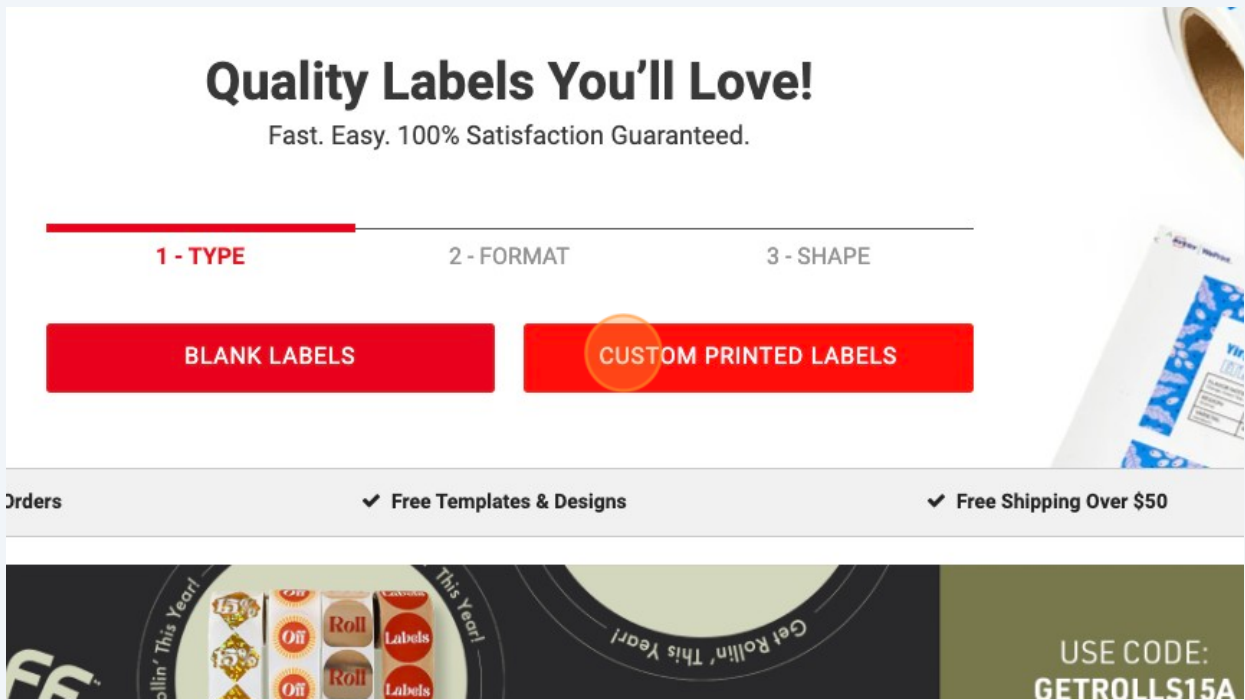

4 Then select "SHEET LABELS".

5 Choose your label shape.

6 Then choose your label size. You can scroll through the sizes or manually type in your required size. Make sure it's the same as your Canva label template size.

7 Then select your label paper material.

CUSTOMIZE DESIGN
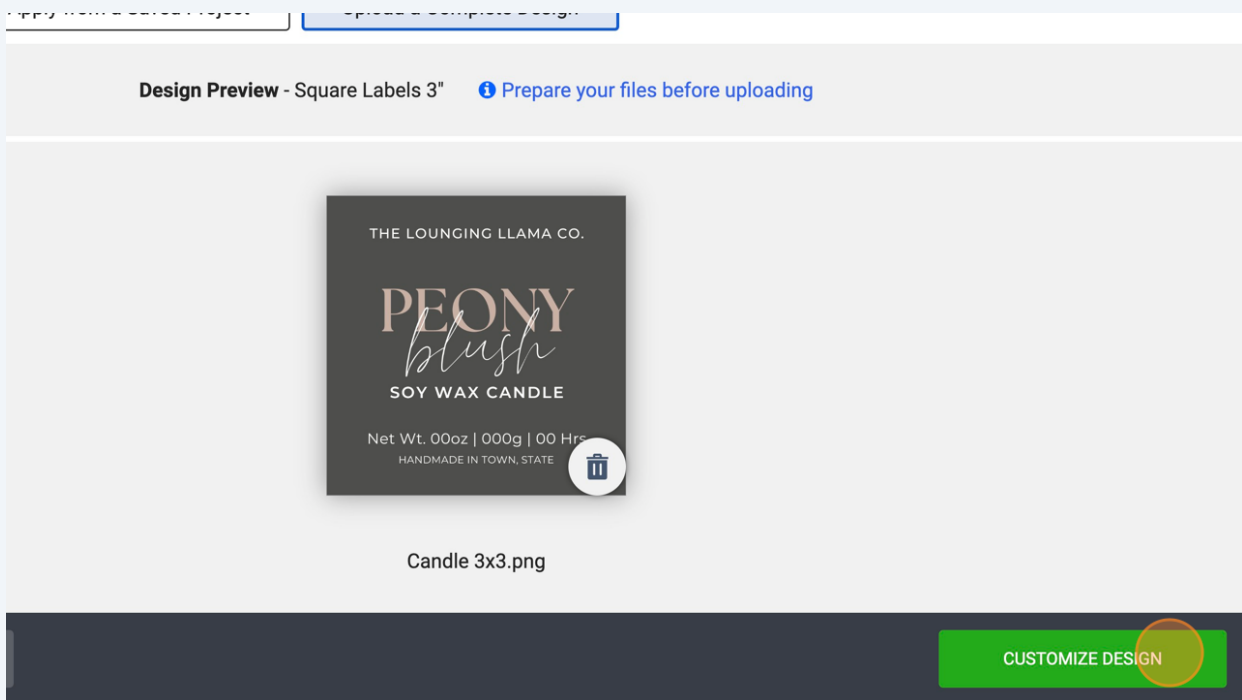

13 Each 'slot' on the page is automatically filled with the same design, but you can upload a different variation (e.g different colour or candle scent name) to each individual slot.

Just click on "EDIT ONE", then select the slot you wish to upload the different design to. Repeat for each slot if needed.
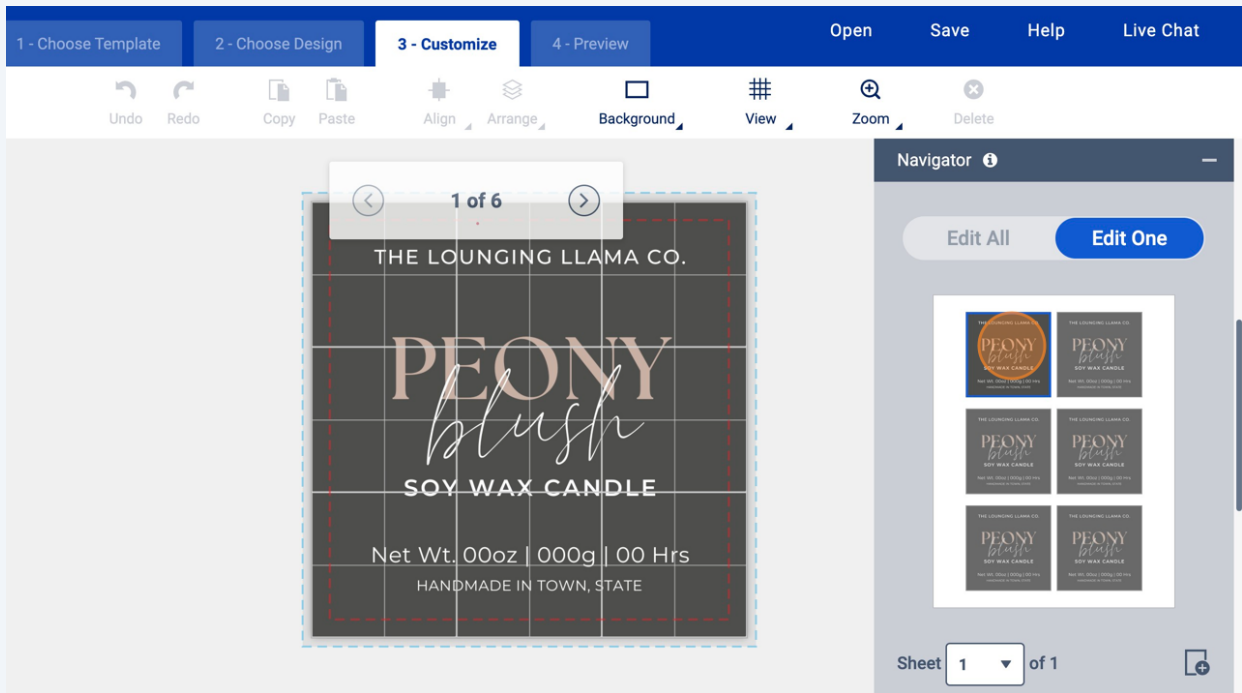

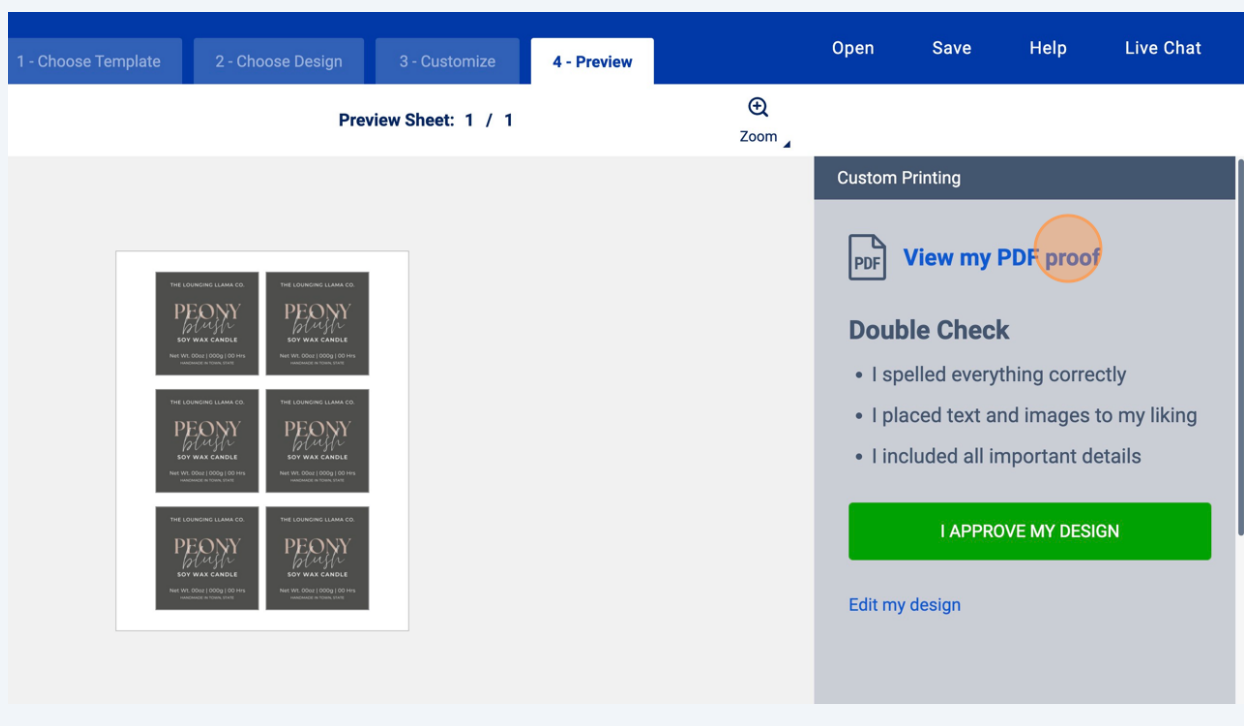

14 When you're happy with the placement of your label designs, click "NEXT".
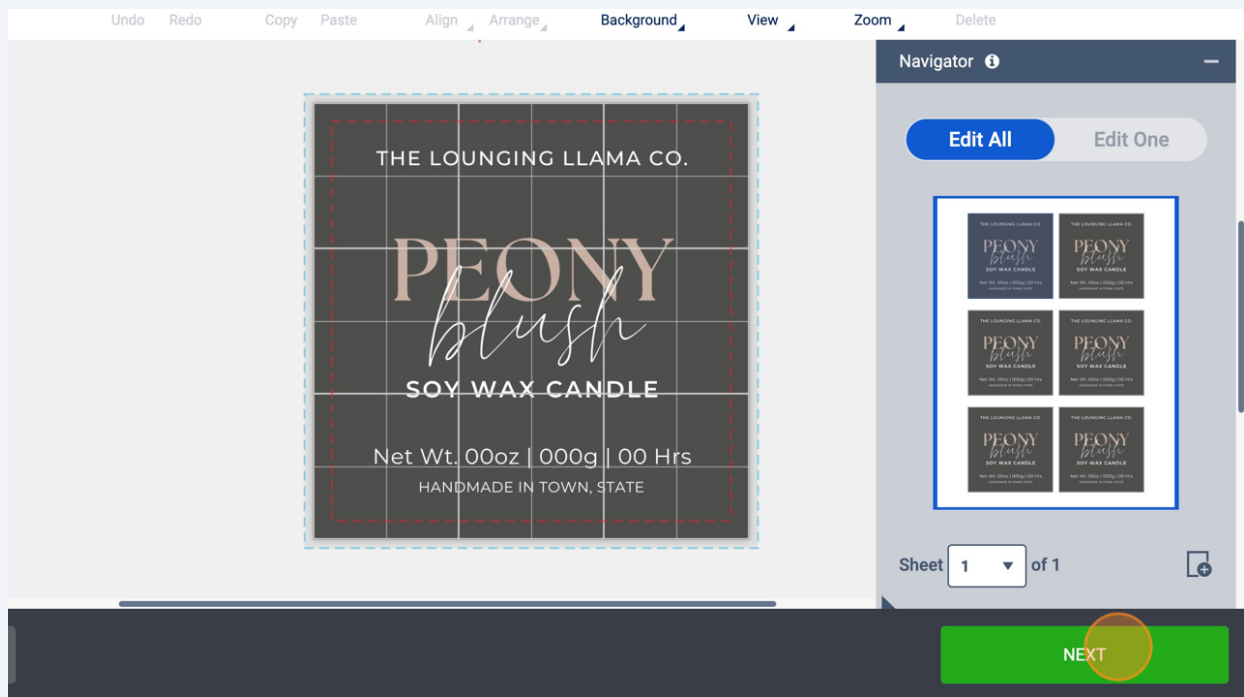

Approving your Print Sheet & Completing your Order

15 The sheet is now formatted for printing. Click "View my PDF proof" to preview the layout and follow the guidelines on it to be sure that everything is placed correctly within the printing lines.

16 When you're happy with your PDF Proof, return to the main screen and click "I APPROVE MY DESIGN".
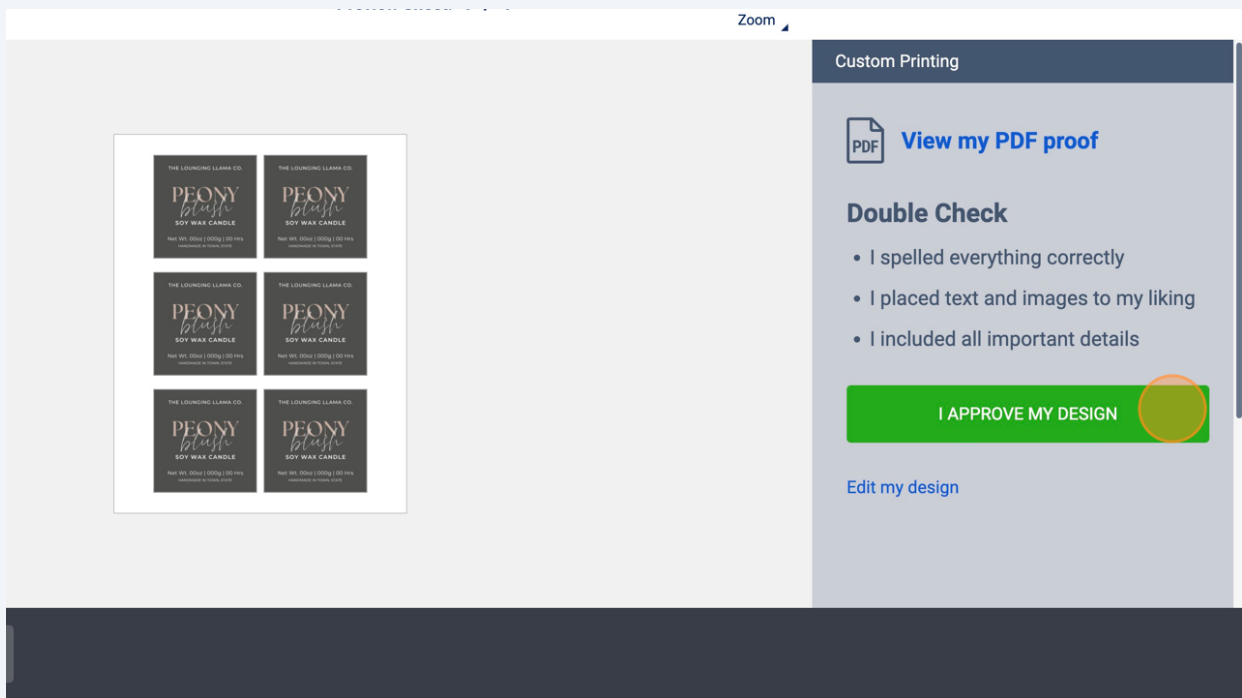

You"ll be asked to save your project which can be helpful if you need to print again in the future without having to go through all the setup steps again.

Just click on "SAVE PROJECT" and follow the steps to save to your account. Log in or create a free account if you don't have one.
